## PINK EFFERVESCENCE

OKANAGAN VALLEY BC VQA

---

Like us, for every step you take forward,  
every thought you have; everything you've ever  
tried to accomplish, you're always striving to achieve  
your best. To constantly change and grow.

And we raise a glass to you.

Wait no longer – just pop open and raise a glass.  
You might get notes of ripe peach and rich berry  
fruit in your glass from this 97% Pinot Blanc and  
3% Merlot blend, but all you really need to know  
is that it is sparkly, just like you.
