---

Like us, for every step you take forward, every thought you have; everything you've ever tried to accomplish, you're always striving to achieve your best. To constantly change and grow. And we raise a glass to you.

**Aroma** – telltale Gewürztraminer aromas of lychee mixed with rose petals and hints of pink grapefruit

**Taste** – bursts with rich, exotic flavours of lychee and ripe melons to match its crisp acidity and gently sweet finish

**Eat** – think foods of the world: Middle Eastern and Moroccan cuisine, with dried fruit and nuts and roasted meats, are a great match
